

DES Holds 2nd In-House Review of Extension Projects

The Department of Extension Services held its 2nd In-House Review on August 24, 2016 at the Astronomy Hall, R & D Building, and this was participated in by 33 teams from the College of Education, College of Business and Entrepreneurial Technology, College of Engineering and Industrial Technology, Laboratory High School and the Institute of Physical Education. Representatives from each team presented their extension proposals to a panel of evaluators who assessed the sustainability and impact of the project to the clientele.

The extension proposals were categorized based on the Extension Agenda of the University-technology transfer and application of knowledge, education and literacy programs, health and nutrition, fitness and sports, peace and security/emergency response, reducing poverty/enhancing quality of life, and education and literacy program.

This year's evaluators are Dr. Ana Belen S. Cuyugan, Director, Student Development Office, Jose Rizal University and Ms. Almira G. Magcawas, Director, continuing Education and Training Services, Cavite State University. They provided helpful suggestions on how the presented extension programs be more sustainable and result-oriented.

The activity started at 9:00 in the morning and finished at 5:15 in the afternoon.

Dr. Lenonila Crisostomo, gave her opening remarks in lieu of DR. Edna C. Aquino
